fiscal 2025 fourth quarter ended September 27, 2025. The Company posted quarterly revenue of \$102.5 billion, up 8 percent year over year. Diluted earnings per share was \$1.85, up 13 percent year over year on an adjusted basis.¹

“Today, Apple is very proud to report a September quarter revenue record of \$102.5 billion, including a September quarter revenue record for iPhone and an all-time revenue record for Services,” said Tim Cook, Apple’s CEO. “In September, we were thrilled to launch our best iPhone lineup ever, including iPhone 17, iPhone 17 Pro and Pro Max, and iPhone Air. In addition, we launched the fantastic AirPods Pro 3 and the all-new Apple Watch lineup. When combined with the recently announced MacBook Pro and iPad Pro with the powerhouse M5 chip, we are excited to be sharing our most extraordinary lineup of products as we head into the holiday season.”

“Our September quarter results capped off a record fiscal year, with revenue reaching \$416 billion, as well as double-digit EPS growth,” said Kevan Parekh, Apple’s CFO. “And thanks to our very high levels of customer satisfaction and loyalty, our installed base of active devices also reached a new all-time high across all product categories and geographic segments.”

Apple’s board of directors has declared a cash dividend of \$0.26 per share of the Company’s common stock. The dividend is payable on November 13, 2025, to shareholders of record as of the close of business on November 10, 2025.

Apple will provide live streaming of its Q4 2025 financial results conference call beginning at 2:00 p.m. PT on October 30, 2025, at [apple.com/investor/earnings-call](https://www.apple.com/investor/earnings-call). The webcast will be available for replay for approximately two weeks thereafter.

1. Non-GAAP measure excluding the one-time income tax charge recognized during the fourth quarter of 2024 related to the impact of the reversal of the European General Court’s State Aid decision. See the section titled “Reconciliation of 2024 Non-GAAP to GAAP Results of Operations” at the end of the accompanying financial statements.

Apple periodically provides information for investors on its corporate website, [apple.com](#), and its investor relations website, [investor.apple.com](#). This includes press releases and other information about financial performance, reports filed or furnished with the SEC, information on corporate governance, and details related to its annual meeting of shareholders.

This press release contains forward-looking statements, within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include without limitation those about payment of the Company’s quarterly dividend and future business plans. These statements involve risks and uncertainties, and actual results may differ materially from any future results expressed or implied by the forward-looking statements. Risks and uncertainties include without limitation: effects of global and regional economic conditions, including as a result of government policies, trade and other international disputes, geopolitical tensions, conflict, terrorism, natural disasters, and public health issues; risks relating to the design, manufacture, introduction, and transition of products and services in highly competitive and rapidly changing markets, including from reliance on third parties for components, technology, manufacturing, applications, services, support, and content; risks relating to information technology system failures, network disruptions, and failure to protect, loss of, or unauthorized access to, or release of, data; and effects of unfavorable legal proceedings, government investigations, and complex and changing laws and regulations. More information on these risks and other potential factors that could affect the Company’s business, reputation, results of operations, financial condition, and stock price is included in the Company’s filings with the SEC, including in the “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” sections of the Company’s most recently filed periodic reports on Form 10-K and Form 10-Q and subsequent filings. The Company assumes no obligation to update any forward-looking statements, which speak only as of the date they are made.

About Apple

Apple revolutionized personal technology with the introduction of the Macintosh in 1984. Today, Apple leads the world in innovation with iPhone, iPad, Mac, AirPods, Apple Watch, and Apple Vision Pro. Apple’s six software platforms — iOS, iPadOS, macOS, watchOS, visionOS, and tvOS — provide seamless experiences across all Apple devices and empower people with breakthrough services including the App Store, Apple Music, Apple Pay, iCloud, and Apple TV. Apple’s more than 150,000 employees are dedicated to making the best products on earth and to leaving the world better than we found it.
